Wake Up Mr West

Wake Up

You sought to be Israel when you've seen the scriptures

And stripped the land from the natives,

only to scavenge for their clothing later

Wake Up Mr West Wake Up

Through the flaws of man, the lord has been watching you

Yet You Mr West serve a Great Purpose in the Future

Wake Up Mr West Wake Up

Oh how you have grieved the Lord,

You walked with fear of GOD then became blinded by the allure of Greece

Wake Up Mr West Wake Up

You've gone too far

You sought to be Gods but yet you still die like mere mortals.

Ambitious like the Men of Babylon yet falling under the mighty hand of God

Wake Up Mr West Wake Up

Nebuchadnezzar has come into office,

and now you the new Israel have yet to come together

Wake Up Mr West Wake Up

Judgment is upon you because of your purpose later,

For you do not know what the Dragon is planning when his rule is slipping

Wake Up Mr West Wake Up

It’s time for you to find the wilderness

so that you may seek the true king,

Awaiting to wear his garment and his Crown

that we must prepare

Wake Up Mr West Wake Up

When The wreaking comes upon the earth,

You will be the ones that are covered for the final chapter

So Wake Up Mr West

Wake Up Now
